

EXCURSION PLITVICE LAKES - NATIONAL PARK

Option 2 Half-Day Excursion

Date: July 15, 2026
Departure: 1:00 PM
Duration: up to 10 hours

Plitvice Lakes are one of the most beautiful natural areas in Croatia, famous for its 16 crystal-clear lakes connected by waterfalls and surrounded by pristine nature. This UNESCO-protected national park offers a unique opportunity to enjoy spectacular landscapes, walk along well-maintained trails, and take a ride on an electric boat and panoramic train.

After departure from the agreed meeting point, there will be a drive to Plitvice Lakes National Park with a travel companion. Upon arrival, a professional guided tour of the park's most attractive areas will begin. During the tour, the guide will provide interesting information about natural phenomena, local flora and fauna, and the history of this protected area.

At the end of the tour, an organized return to the departure point is arranged.
